### **THE FUTURE IS HERE.**

And it's Galaxy, your technology store!

*Eyesee*

What happens in your house when you are not there? Eyesee is a camera with a SIM card inside. Make a video call to Eyesee on your mobile and you can see what's happening.

*Nomad*

You've got to have this portable personal video player. The hard disk of the Nomad holds 100 hours of video or 12,000 songs. It has a 2.5-inch screen. Listen to FM radio and record your programme too!

*Robbie the Robot*

Robbie the Robot can clean all your floors so you can relax. It can even clean under furniture. Turn it on when you go out and come home to a clean house.

*Sonic*

The Sonic tmx-402 has a large hard disk and includes a DVD recorder. Big enough for 400 hours of television. When that's full, you can copy and store the contents into a DVD.
